

SOCCER

Students are reminded to dress appropriately for the weather for the bus ride to and from the Family Leisure Centre. They are also reminded to bring their water bottle every day as it is a required piece of equipment. During the last week before Christmas Holidays students will be partaking in swimming and bowling with the baseball academy. Students are encouraged to take all of their gear home over Christmas and have it washed. Thanks to all of the soccer academy participants for their hard work and effort this term; with such strong effort and positive behavior the students truly do make the Academy a wonderful learning environment!!!

GOLF

Golf Academy moves to alternate activities. Please remember to check your academy calendar and be prepared.

Thank you.

BASEBALL

The Baseball Academy would like to thank all students for their positive attitude and effort in these first few months. During the month of December we will be spending time in the NDA gym and the Fieldhouse. We will also take part in some alternate activities at other locations during the winter months. Students are reminded to bring all necessary equipment, academy clothing and a water bottle on academy days.

Thank you for your continued support and cooperation. Merry Christmas to all and we hope you enjoy some down time with family and friends!
