

SOCCKER

All of the students in the soccer academy have been improving tremendously as the year is moving along; keep up the good work! It was awesome to see the huge improvements made by most students on their last physical assessment tests. We will continue to work on skills that the students are currently developing and be adding new activities and drills to learn some more new skills throughout the year.

GOLF

We are halfway through our alternate activities and beginning to already see excitement to get back outside on the course. Schedules for our activities in March will be given to the students, and we again ask you to ensure they have the appropriate clothing for the various activities. Golf season tends to sneak up on us, so consider looking at your children's golf bags to ensure they have everything they need...from golf balls and tees, to sweatshirts and sunscreen. Thank you.

HOCKEY

It is hard to believe that there is only about a month left of the on-ice training segment. Hockey Academy students have complete their second skill testing session. Please take some time to look over your son/daughters results when they get them. Parents are invited to watch the final segment of the Coupe' De Bulldawg, March 16-19. We remind all students to continue to bring their best efforts for the rest of the year to prepare for a successful start to next year. We would also like to thank Gay Debeau (Power Skating) Quintin Karg, Noah Irvine (on Ice Assistants), for all their hard work this year. We will also continue to have Ed Styles helping with our dry land segments.

We will be looking once again to have a Parent Student game this year. March 10th grade 6/7 and March 11th grade 8/9 Kinplex 12:30-1:45

Practice does not make perfect. Only perfect practice makes perfect.

Vince Lombardi

BASEBALL

In the first half of March we will be taking part in some indoor alternate activities (curling, strength & conditioning and YMCA activities). At the completion of those activities we will be going full swing with baseball activities at the Fieldhouse and hopefully outside in the near future. Students will need to have all necessary equipment and clothing for indoor and outdoor sessions.

With the season just around the corner please check out www.mhlittleleague.ca for information on registration for Baseball or check out www.medhatminorsoftball.ab.ca for Softball registration. Information regarding McCoy High School JV Baseball Tryouts will be provided to grade 8 & 9 students at school.

Thank you to all students for your positive attitude and effort so far this year. Thank you to all parents for your continued support of our program.

"Things work out best for those who make the best of how things work out."
John Wooden - Legendary UCLA Basketball Coach and Hall of Fame Inductee
