

BASEBALL

The Baseball Academy has gotten off to a great start during these first few months and we would like to thank all students for their positive attitude and effort. During the winter months we will be spending time in the NDA gym as well as the Fieldhouse. We will also take part in some alternate activities at other locations. Students are reminded to have all Academy clothing, hat, helmet, glove, water bottle, extra pair of inside shoes and a mask on Academy days.

Thank you for your continued support and cooperation. Merry Christmas to all and we hope you enjoy some down time with family and friends!

HOCKEY

With Christmas just around the corner, Hockey Academy students will be participating in the annual Coupe' de Bulldawg. This will be happening Wednesday, December 7 – Tuesday, December 10. This is a fun week for the students, everything is restricted with the pandemic this year unfortunately for parents. Stay tuned as we hope to have a parent game vs the students this year. As well, hockey academy students will be swimming at the FLC December 18, 19.

Equipment Storage times Monday- Thursday 7:15am - 8:30am and 2:30pm – 4:45pm

SOCCER

Students are reminded to dress appropriately for the weather for the bus ride to and from the Family Leisure Centre. They are also reminded to bring their water bottle every day as it is a required piece of equipment. During the last week before Christmas Holidays students will be partaking in alternate activities. Students are encouraged to take all of their gear home over Christmas and have it washed. Thanks to all of the soccer academy participants for their hard work and effort this term; with such strong effort and positive behavior the students truly do make the Academy a wonderful learning environment!!!

GOLF

Over the next few months we will be taking part in a variety of activities and it will be important for students to be prepared for each activity. There may be last minute changes to our calendar due to restrictions in the city so students will also need to pay close attention to announcements in the school to make sure they stay up to date.
